Idioma/Language: Euskera/Basque
Traducción/Translate: **Ingles/English**

Through the water,
through the air,
we arrived at the lonely city.

We are together
but... we can't enjoy.

The present always is ephemeral,
the past time, pleasure
and the future
is there...waiting...

I want to enjoy now
(now)...

Through the water
through your hands,
we arrived at the sensations city and there... we enjoyed!
